Hi, I'm Florence; I joined the youth company in 2019 and played Snout in 'Dream' last year. It's a shame that because of Covid we had to move to Zoom but the sessions have been a silver lining in lockdown and I've had so much fun collaborating on and being a part of this production.

Hi, I'm Kieran and I have been with RSS for 3 years now and have seen all manner of shows, although this has been the strangest one so far but also an interesting learning experience!

Hi, I'm Lily and this is my second production with the RSS. I have enjoyed being involved in acting as well as design aspects on both 'Dream' in 2020 and the current production. Despite being challenged by the circumstances, Ceci and I have worked hard to devise our own short film inspired by the witches in Shakespeare's 'Macbeth'.

Hello, my name is Krish. I am a Singer, Actor and Songwriter and have been with The Young Actors Company for one and a half years. I love that YAC is able to help push creators' abilities in new, dynamic and interesting ways.

Hi, I'm Lars and I have been a part of RSS for a couple of years now. I have really enjoyed this project despite the complications of shifting it from onstage to Zoom. I can't wait for us to put on another show!

Hi! I'm Leah and I joined RSS in September 2020. I also train at MXMasterclass and am currently working towards my grade 8 in musical theatre with LCM and my acting diploma with Trinity. I'm represented by Mary Liz Management.

Hi, I'm Ceci and this is my first production with the RSS. Before COVID-19, I took a role in the set design process, as I'm passionate about art and design, however this was unfortunately cut short. Despite this, I really enjoyed performing and creating the short film with Lily, inspired by Shakespeare's 'Macbeth'.

I am Luke and this is my first year being part of the YAC. I really like Mischief Theatre because they are so hilarious. In my spare time, I like to write and perform plays with my family.

Hi, I'm Emily and I've been at the RSS for 7 years. I've recently achieved a distinction in grade 6 Trinity and up to my bronze in LAMDA. The last show I was in was 'Dream', playing the part of Mustardseed.

My name is Anouk, I'm 17 years old and I've been a part of the RSS for 2 years. I have really enjoyed working at the RSS through these tricky times as it is always a positive space where you can collaborate with others and have fun doing drama. During this lockdown, I have taken my grade 7 Trinity exam and I am preparing for my grade 8 currently. I hope to keep up drama alongside my studies as a creative outlet.

Hi, I'm Ruby and I have been with RSS since September 2020. I am currently completing my Gold in LAMDA.

My name is Perrine and I am in Year 10; I am also French (which explains the somewhat unusual name). I have recently taken up drama and am enjoying it so far. This is my first show with the RSS!

Hi, my name is Charlie, and this is my 2nd year at RSS, after taking part in 'Dream' as Quince last year; I couldn't wait to go again this year. Unfortunately it's not been ideal, but RSS never fails to push you to try something new, and this year we've all been pushed and have become better performers.

I'm Daisy and I've been with the RSS since 2019 and was in the production of 'Dream'. It's always lovely to work with my friends to create theatre and it's been super cool this term to work on loads of different pieces. I've loved seeing everyone's piece develop and I can't wait until we can be back in a room together :)

I'm Constantin and I've been involved in drama and acting with groups and societies since I was about 6. This is my first show with the RSS, and despite the challenging conditions, it's been a great experience working with the rest of the group. I am really looking forward to developing my skills with the RSS and taking part in future productions!

Hi, I'm Emi and I joined RSS in September and it's the highlight of my week! Performing professionally since I was ten, my development is supported with LAMDA training, classical singing and dance lessons. I sing in a specialist choir, am the lead singer of a jazz band, play drums and piano and dance in a dance troupe - I love performing!

I'm Tia and this is my second year with RSS. I loved my first show with RSS and was excited for my second, but it's been a big adjustment doing everything online. I'm glad we were still able to put this show together.

The Richmond Shakespeare Society would like to introduce to you the new Director of the Young Actors' Company! Laura-May Hassan (L-M) has been a part of YAC for 5 years as the Assistant Director to Katie Abbott, from whom she has learnt a lot and is so thankful for the time she had with Katie to learn her craft in detail. L-M is a professional actor who trained in Drama and Applied Theatre at St Mary's, Twickenham. L-M is teaching all over Twickenham for many drama clubs and loves to have fun. This being her first year as Director has come with many unforeseen challenges, but she has used these challenges to stretch the young people to make creative decisions and problem solve which is a crucial part in making a show. They have all done this amazingly well.

Héloïse Plumley has been a proud member of RSS since April 2017, appearing as Ariel in Shakespeare's 'The Tempest' (pictured here). Since that time, she has turned her hand to almost everything: Assistant SM, set building, wardrobe assistant and lighting operator to name a few. Within the society, she has acted as a Front of House volunteer and served on the General Committee. She is therefore grateful for the opportunity to continue giving back to the RSS through the Young Actors' Company; this is her second foray into Assistant Directing, having previously supported Asha Gill's RSS production of 'A Christmas Carol' (Dec 2019). She hopes to take to the stage again with the RSS production of Webster's 'The Duchess of Malfi' in October 2020, conditions permitting! She works as an English Teacher and has really enjoyed combining her passion for the Arts with her 7 years' teaching experience.
